Dignitana relaunches user-friendly App for patients

Dignitana has upgraded its Mobile App to enhance ease of use for patients in the U.S. The DigniCap Mobile App provides a direct connection to the Patient Support Center and Frequently Asked Questions and provides a simple interface for account management and ordering treatments. Users are also prompted to share their DigniCap story and connect through social media. The DigniCap® Mobile App is now available as a free download through [Google Play](#) (Android) and the [Apple App Store](#) (Apple OS). [Read the full press release here.](#)

Miami Breast Cancer Conference March 5-8

Demonstrating DigniCap Delta at the Miami Breast Cancer Conference

Dignitana participated in the annual Miami Breast Cancer Conference attended by over 600 breast oncologists discussing the latest research and treatments.

Dignitana Exhibitions Update

Due to the spread of the COVID-19 Coronavirus all conferences that Dignitana was scheduled to attend this spring have been postponed by event organizers.
